Dear Sir:

Permit me to write on behalf of the National Library of Peiping to request that you would be kind enough to arrange to have us supplied with a set of your "Numismatic notes & Monographs" as well as any other publications relating to the ancient coins of the Far East. We are keenly interested in publications on ancient oriental coins, and shall deem it a great favor if you could have a set of yours to spare for our use. They will be most gratefully received, and your courtesy will be highly appreicated. Should there be any charge, please let us know.

Under separate cover, we are sending you a copy of our latest annual report which will give you a general idea about our Library.

Thanking you in anticipation,

Yours very truly,

T. L. Yuan

Acting Director.

Gentlemen: Attention: T. L. Yuan

In reply to your letter of April 22nd all we can say is that up to date we have issued nothing on the coins of the Far East or in fact much of anything except on United States and ancient Greek and Roman coins. If by any chance we should issue anything we will remember you.

Very truly yours,

HW:JG Curator
